

Experienced by being equipped with pre- existing know-how on hosting a student in the school

"The teacher had been teaching for over 15 years, yet was realistic in terms of students on school experience. She was keen to share her experiences with me and advised me about how she managed as a teacher" (BEd 4 Student)

"The teacher had other student teachers before and knew what to expect. He used his own experience to help and provide advice and resources" (BEd 1 Student)
