

Organised in a way that
is conducive to the
smooth running of the
student's day-to-day
activities in the school

"The teacher gave me a lot of help in knowing what lessons to expect to teach as she had the year's plan already written out" (BEd 1 Student)

"He (the teacher) always had his week well planned and organised and set me out what he wanted taught and at what time, and the majority of times he stuck to it" (BEd 2 Student)
